ARREST OF EDWARD J. KENNAN

Another Gang Discovered.

The most sanguinary and cowardly scenes are being enacted by the leaders of the Democratic party throughout the State. Riots, bloody assaults, ground and lofty tumbling from the rostrum, and all the other disgusting features of the Democratic campaign. They seem to delight in attack and rowdyism, and are determined to carry the State by violence if they can not by fraud. Democratic leaders and orators are advised and urged to this course by the Democratic press, which seems to be conducted by the most unscrupulous and desperate class of men in the country. Democratic editors who have been convicted in the courts of libel, and who have been compelled to pay heavy damages for their slanders, are the most violent and abusive of the Democratic press. Democratic orators who have been arrested for assault and battery, and fined by the courts, are the most violent and abusive of the Democratic stump speakers. Democratic leaders who have been arrested for riot, and for inciting riots, are the most violent and abusive of the Democratic leaders. Democratic candidates who have been arrested for violence, and for inciting violence, are the most violent and abusive of the Democratic candidates. The Democratic party is the party of violence, and its leaders are the most violent men in the country. Democratic newspapers, orators, leaders and candidates are the most violent and abusive because they are the most violent men in the country. Democratic newspapers, orators, leaders and candidates are the most violent men in the country because the Democratic party is the party of violence. The Democratic party is the party of violence because it is the party of the Rebellion. The Democratic party is the party of the Rebellion because it is the party of treason. The Democratic party is the party of treason because it is the party of Jeff. Davis. The Democratic party is the party of Jeff. Davis because it is the party of Slavery. The Democratic party is the party of Slavery because it is the party of Hell. The Democratic party is the party of Hell because it is the party of the Devil. The Democratic party is the party of the Devil because it is the party of the Pope. The Democratic party is the party of the Pope because it is the party of Rum. The Democratic party is the party of Rum because it is the party of Ignorance. The Democratic party is the party of Ignorance because it is the party of Poverty. The Democratic party is the party of Poverty because it is the party of Misery. The Democratic party is the party of Misery because it is the party of Death. The Democratic party is the party of Death because it is the party of Damnation. The Democratic party is the party of Damnation because it is the party of Perdition. In consequence of the nomination for the State Senate, Hon. A. G. MCCANDLESS has declined being a Republican elector in the Eighteenth District. Jacob Negley has been placed upon the ticket in his stead.

THE Democratic elections in Connecticut take place to-day. The Democrats of Connecticut are of the kind of the Democratic party of Northern States that signed Seymour's call for Syracuse and Macon. We shall see.

THE Republicans of Beaver county are making preparations for a grand Mass Convention at Economy, on the Erie and Pittsburgh Railroad, to be held on Thursday, 8th instant. Hon. Henry Winter, of Mercer, Hon. Thomas E. Kaercher, and Hon. R. R. Cunningham, Esqr., of Pittsburgh, it is announced, will positively be present and address the Convention. The Republicans of Mercer and adjoining counties are urged to attend the meeting, which will be the last grand rally in that locality previous to the State election.

THAT brilliant statistician, ADDICKS, of Delaware, is the target for universal ridicule. It has transpired that the census in his figures amount in the aggregate to 9,000,000! One single estimate is sufficient to illustrate its ignorance and stupidity. The original estimate for the Navy was given $37,000,000. This was reduced by striking out the largest items not absolutely necessary, and by cutting down the force of officers and men, which now consists of about 20,000 men. *The actual expenditure in the three fiscal months just ensured is* 60,000,000. Mr. DELANO, in his "bills," estimates the requirements of the Navy at $45,000,000. This telling mistake added to his forgetfulness in failing into consideration the actual receipts of the New York Custom House, entitle Mr. DELANO to the very first rank as a simpleton.

THE New York *Express*, while admitting the vast benefits which would result to the whole country from the unanimous election of a Chief Magistrate, opposes the withdrawal of Seymour in the present stage of the canvass. The *Express* thinks the request should withhold instead. It does not advance as force by way of argument to urge him this novel step of the case. The withdrawal of SEYMOUR has been pressed because he could be a stronger candidate. The Democratic party has spoken in behalf of the Governor, and the people of the State, or at least sufficient numbers to secure his election, will generally be present and address the Convention. The Republicans of Mercer and adjoining counties are urged to attend the meeting, which will be the last grand rally in that locality previous to the State election
